- Deluxe Queen Marys with shelves with 3 edges up, front edge down (except top shelf which has all 4 edges down)
- Heavy duty all welded construction.
- Choice of aluminum or stainless steel models.

These Queen Marys offer 3 sided flanges to prevent/reduce slipping of items being transported. Heavy gauge stainless/aluminum shelves and all welded construction provide exceptional strength and durability. 14 GA. S/S or 1/s" thick aluminum base (bottom) shelf reinforced with 12 GA. S/S or 1/8" thick aluminum bolster channels provide extra rigidity. Heavy duty 8" polyurethane casters (2 rigid, 2 swivel), wrap around bumper and a push handle are standard.
