

- Choice of many styles at exceptional price.
- Fully assembled racks.

These hi-tensile all aluminum value line racks are offered with economy in mind for standard duty application. Angle slides allow pans to ride on the bottom, whereas extruded side panels and corrugated side racks permit the pans to ride on the outer bead. Universal angle slides allow various size pans like 18" x 26", 12" x 20", 20" x 22" gastronorm (GN 1/1 and GN 2/1) and many others to fit in the same rack with slides adjustable on 1½" centers. All racks are furnished with 5" x 1¼" casters.
