

- Vertical tray drying and storage racks for various pan sizes.
- Heavy duty welded shelves are adjustable on tubular posts (unit is shipped knocked down).

These racks are designed to facilitate air drying. All shelves are removable and adjustable. Two types of guide spacing are offered. 1 1/2" guide spacing is for 18"x26" bun pans or other trays which are less than 1 1/2" thick. 12"x20" steam pans (2 1/2", 4" or 6" thick) can also be stored on these shelves by skipping guides. 3" guide spacing is ideal for many insulated or other types of trays up to 2 3/4" thick.

Model 9040-AS-1826-117

Specifications:

Uprights are 1" S/40 aluminum pipe. Horizontal frames are made from 1 1/2"x1 1/2" or 1 1/2"x1 3/4" heavy wall rectangular aluminum tubing. Guides are extruded side panels 0.075" to 0.100" thick deburred and radiused and welded to both sides of the horizontal tubing frame to provide either 1 1/2" or 3" spacing. Other spacings are also available. Shelves have corner blocks with set screws which allow the shelves to be adjusted to proper height & spacing.

Model Number	Pan Spacing (Inches)	Pan Capacity	No. of Sections	Pan Size (Inches)	O.A. Dimensions (Inches) W x L x H	Weight (Pounds)
9040-AS-1826-117	1 1/2	117	3	18 x 26	26 1/2 x 67 x 72 1/4	210
9040-AS-1418-234	1 1/2	234	3	14 x 18	29 1/2 x 67 x 72 1/4	240
