

- **Ideal for restaurants and hotel kitchens for storage and roll-in refrigerator service.**
- **Easily accomodates various sizes of pans and trays from 16" to 20" in width and up to 26" long, all in one unit.**
- **Stays clean and sanitary with routine steam cleaning.**
- **Slides are removable and adjustable (fixed optional).**

This unusual and verstatile storage rack provides years of excellent service in preparation and handling of food. It is specially designed for roll-in refrigerator service and greatly increases storage capacity.

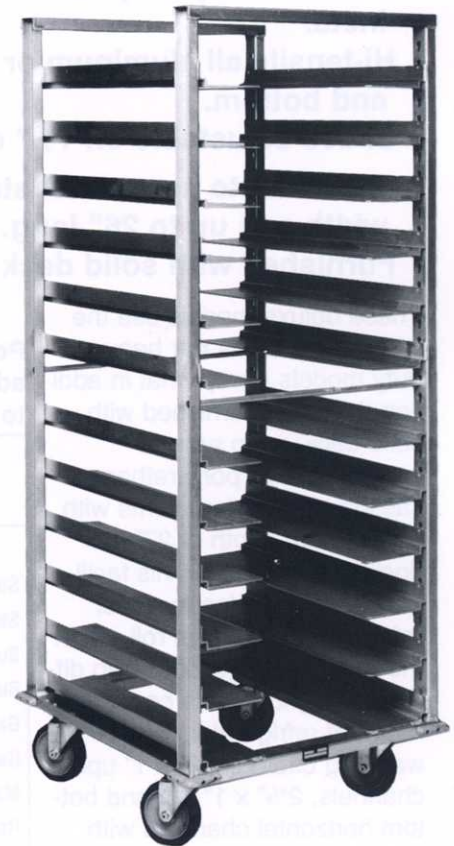

Extra strong and lightweight it is made of aluminum. With adaptable racks, it gives a wide flexibility in handling different sizes of pans and trays, all in the same unit.

Special extruded channels with rounded edges eliminate chances of injury. Top, middle and bottom slides are welded securely to prevent "racking" even after years of use. The other slides are spaced 4-3/8 inch clear and can be adjusted on 1-1/2 inch centers. Each slide can hold up to 60 pounds. Unit comes completely assembled.

*ADJUSTABLE ON 1-1/2" CENTERS
 (FIXED OPTIONAL)

"Princess II"
 Adjustable roll-in slide rack
 Model S-3131-R
 (with optional corner bumpers)

Better food service equipment — standard models and custom designs.

- 4" wide 14 ga. channel (1"x4"x1") uprights & 12 ga. s/s cross members.
- Extra heavy duty all welded s/s construction for correctional facilities.
- Furnished with 12 ga. s/s solid deck, wrap around bumper & 5" casters.
- Stays clean & sanitary with routine steam cleaning.

These unusual, versatile and extremely well built storage racks provide years of excellent service. They are specially designed for correctional facilities for roll-in refrigerator service to carry 18"x26" bun pans and 12"x20" steam pans. 14 ga. s/s channel (1"x4"x1") upright frames, 12 ga. s/s upper support & solid base and 14 ga. s/s universal angle slides (approx. 6" wide) are fully welded. Continuous 1" non marking wrap around bumper protects the base and 5" all swivel plate type casters provide easy mobility. The rack can also accommodate various other size trays/pans from 16" to 20" in width & up to 26" long. Casters are bolted to base with tamper resistant fasteners. These racks can also be furnished with optional integral pan stop slides as shown on the picture on the right.

S-3131-EHD-12-F-SS
(with optional integral pan stop)

Model Number	Pan Capacity 18"x26" (see note)	Pan Spacing (Inches)	O.A. Dimensions (Inches) W x D x H	Weight (Pounds)
S-3131-EHD-12-F-SS	12	4½	26½ x 28 x 64	170

Options

1. Slides with integral pan stop at one end
2. Brakes on casters

NOTE: Each universal angle slide set or solid base can carry one (1) 18"x 26" bun pan end loaded or two (2) 12"x 20"x 2½" (or 4") steam pans/gastronorm pans (GN 1/1) side loaded.
