

**Deluxe Model, Heli-Arc Welded & Polished**

- **Ideal for hotel & restaurant kitchen service and hospitals.**
- **Easy access shelves.**
- **N.S.F. listed.**
- **Stays clean and sanitary with routine steam cleaning.**
- **Also meets Federal Specification KKK-T-1286A.**

This strong multi-purpose hand truck is a must around kitchens and food service areas.

The all welded stainless steel construction assures years of dependable service. A semi pneumatic non-marking vinyl bumper protects walls and other equipment.

The standard unit has dished type recessed shelves with all edges down in accordance with federal spec. KKK-T-1286A.

**Other features:**

- 18 GA. 304-No. 4 stainless steel shelves made with 1½" double folded edges recessed 3/8" and welded to 1¼" tubular frame.
- 1" tubular push handle.
- Two \*10" wheels and two 5" non-marking casters are standard.

\*If optional 8" load wheels are desired for economy, add "-8" after model number. However, if compliance to federal spec. KKK-T-1286A is required, 10" wheels must be used.
