***For mobile units, add "-M" after the model number. O.A. height for mobile units is 66"**

O.A. size is 1 5/8" larger than shelf size.

Options:

1. Mobile unit (5" casters, all swivel)
2. Brakes on Casters.
3. 6" Casters.
4. Rotating Bumpers.
5. Extra Shelf
6. Extra Height (up to 78" for certain sizes)
7. Louver spacing larger than 2".
8. Louvered & solid shelves combination on same unit.
9. Casters welded to uprights.
10. Special shelf size.
11. 16 GA. shelves (instead of 14 ga.)

NOTE: Solid shelves type units are also available with lengthwise channels. Add "-CS" after solid shelf model number. Priced same as louvered shelf type.

Better food service equipment — standard models and custom designs.
