

- Fully adjustable with choice of 4 type of shelves.
- Sanitary and rust proof and available in 4 different types of shelves which can also be mixed and matched.

These shelving units use 1" schedule 40 aluminum pipe (1⁵/₁₆" O.D., 6061/6063 alloy) as posts marked on 2" increments and heavy duty extruded aluminum collars welded in place at corners of each shelf. A set screw in each collar allows the shelves to be adjustable and helps lock the shelves in place at selected heights. Posts and shelves are shipped loose (knocked down). Posts have plastic caps at top & bottom.

Tubing type

- Uses 1¹/₂" x 1³/₄" heavy wall extruded aluminum rectangular tubing frame and laterals welded lengthwise. Specify model 9355-RT followed by no. of shelves and shelf sizes.

4 Shelf Model
9355-RT-4-1842

T-bar type

- Uses 1¹/₂" x 1³/₄" heavy wall extruded aluminum tubing frame and 2¹/₂" wide x 1" x 0.100" thick T-bars welded widthwise 1³/₄" apart. Specify model 9355-TB followed by no. of shelves and shelf size.

3 Shelf Model
9355-TB-3-1842

Solid shelf type

- Uses solid aluminum shelf flanged down 1³/₄" on all four sides. Specify model 9355-SL followed by no. of shelves and shelf size.

2 Shelf Model
9355-SL-2-1842

Reinforced solid shelf type

- Same as solid shelf type except additionally reinforced with one or two laterals using 1¹/₂" x 1³/₄" alum. tube. Specify model 9355-SLR followed by no. of shelves and shelf size.

3 Shelf Model
9355-SLR-3-1842

*Available Sizes				
Widths	15", 18", 20", & 24"			
Lengths	30", 36", 42", 48", 54" & 60"			
Posts Height for:	2 shelf 54"	3 shelf 68"	4 shelf 76"	5 shelf 84"
